OREGON, MISSOURI, FRIDAY, OCTOBER 16, 1896.

NUMBER 21.

KEEP A GOIN'.

A good thing--slide it along, and keep a goin'--with the best wishes of

H. C. SCHMIDT, OREGON, MO.,

Dealer in the two best wagons on earth, the light running Newton and Schuttler.

If you strike a thorn or rose, Keep a goin'. If it rains, or if it snows, Keep a goin'. 'Taint no use to sit and whine When the fish ain't on your line; Bait your hook and keep on tryin'-- Keep a goin'.

When the weather kills your crop, Keep a goin'. When you tumble from the top, Keep a goin'.

S'pose you're out of every dime-- Gettin' broke ain't any crime-- Tell the world you're feelin' prime-- Keep a goin'.

When it looks like all is up, Keep a goin'. Drain the sweetness from the cup; Keep a goin'. See the wild birds on the wing, Hear the bells that sweetly ring, When you feel like sighing--sing-- Keep a goin'.

Buy a Newton Wagon. They don't break down and you can Keep a goin'. Keep a goin'.

—W. S. Dray, of the New Point City Times, has disposed of his interest in his partner W. W. Carr, who is now sole proprietor. Mr. Dray at once purchased a half interest in the Holt County Democrat, and will hereafter be associated with J. M. Harness in the publication of that paper. We welcome Mr. Dray, and trust his expectations may be fully realized.

—Marion Reed, a brother of Alex R. of this city, a pensioner and old settler of Howard county, Indiana, died at his home in Kokomo, on the 14th inst. He was found in the cemetery at the cemetery gate and never recovered consciousness. There seems to be some evidence of murder. He was 55 years of age. He was a pensioner and was a member of the 80th Indiana regiment.

—The Missouri W. C. T. U. will meet in 14th annual convention at Bethany next week, Oct. 23. Rates on railroads.

—We received a letter, this week, from our old friend and former citizen, L. W. Trask, now a resident of the "Lone Star" state, Smithfield, Tarrant county, Texas, his postoffice address. He closes his letter as follows: "Tell any of the folks when they talk about leaving Old Holt to find a better place, that I say stay where they are at in Old Holt county, Missouri, where there is always enough and to spare. Hurrah for C. O. Powell."

—Married, in St. Joseph, by Judge Lyons at the home of her daughter, Mrs. Myrtle Steinel, October 7th, 1896, Mr. Wm. Mohler, of Nebraska, and Mrs. Mary Greene, of this city. Mr. Mohler is the happy man, is the head capper at the Oregon Canning factory, and has held this position since the factory was established, and is also engaged in dry goods business in Nebraska. On the closing down of the factory Mr. Mohler will return to Winnebago, Nebraska, for the winter to arrange his business affairs, and will then return to Oregon, with a view of engaging in permanent business. He is a man of most excellent character, and the bride is to be congratulated on her excellent choice, she being so well and favorably known to all our people, that extensive comment at our hands is unnecessary.

—On our inside columns, this week, will be found a very interesting letter from U. M. Greene formerly of this city, and a brother of our esteemed townsman, N. T. Greene.

—The many friends of Miss Manie Barnes in this city, send congratulations through these columns, upon her marriage, which occurred Tuesday of last week at the Presbyterian church, Tarkio, to W. L. Salmons, a druggist of that city.

—Our farmers and fruit growers should remember that the first week in December, and they should try and save specimens of their grain, fruit and vegetables in order to make as good a display as possible.

—Gen. P. Luckhardt has just finished a contract for the delivery of 1500 bushels of apples, all from his own orchard in this city. Messrs. Boyd and Leese, of Forest City, took 1300 and the remaining 200 was taken by Sioux City and Council Bluffs parties.

—The Craig Leader, in its issue of last week, has the name of S. F. O'Fallon for representative. It would be a shame upon the fair name of Holt county to send a man to the legislature who asserts that "if we fail at the ballot box we can win with the gun and bayonet."

—All ladies interested in the Chrysanthemum show are requested to attend the next meeting, which will be held at the residence of Mrs. Kate Thatcher on the afternoon of the 24th of October. As there is a very important business to be transacted, all should be present. Meeting to be called at 2 o'clock.

—In our fearless independent course we care not what our Free Silver voters may say. We place the honor of our country above party. Partisanship is a dead weight upon the nation. The Populists should get out a platform in 1900 which suits our views better than that of the National Democratic party, then we will support the Populists; Craig Leader.

—Judge Anthony is proving a terror to evil-doers and has the plaudits of all who love law and order. In his court at Rockport, on Tuesday, Al Holloway, of Fairfax, was convicted of selling liquor contrary to law and was fined \$50 and costs--amounting to over \$100--and he was in jail. Two other men named Dempsey and the other named Penton were convicted of stealing cattle and were sent to the penitentiary. A couple of fellows were also sent to the penitentiary for stealing horses, and the drug net is not yet empty. --Tarkio Avalanche.

—Hon. George C. Crowther has done another work of excellent campaign work and reports from all portions of the district regarding his re-election are bright and encouraging. Mr. Crowther's work in the Campaign this year is admitted by his Democratic opponents to be of the very highest order, and he has demonstrated to every eye who has seen him speaking in the district what his politics may be in a general sense, should not fail to cast his vote for him, provided he desires to see the principle of sound money triumph. Mr. Crowther stands square on the St. Louis platform and there will be no cheap money and repudiation if such men as he are chosen for congressmen.

—The next meeting of the Chrysanthemum society will be held at Mrs. Thatcher's on Saturday, October 24, at 2 p. m. All who are raising plants for the Battle of Tobacco are urged to be present at that meeting, as the time is at hand to make the preliminary arrangements for the show. The plants are coming on finely and we wish to see them when they are ready for the show.

—C. D. Zook had the misfortune to lose one of his horses by drowning, last Monday evening. He had gone up in the bottom above Forest City to shoot ducks, and had tied the team with the hitch straps, but by some means they untied themselves, and the horse went around they walked over a bank, about ten feet down into Kinsey Creek, the buggy falling on one of the horses in the way as it plunged to its death under the water drowning it. The buggy and harness were damaged some, but the other horse was not injured.

—We acknowledge a very pleasant call from Hon. C. M. Harrison, Republican candidate for state senator in this district, who is now making a series of speeches in our county, and getting acquainted with the people. On Monday night he opened his canvass at Forbes; at Forest City, Tuesday; Mail-burn, Wednesday; and he has gone up to Bigelow, Friday and New Point, Saturday. He was greeted with good sized audiences at all these meetings, and Monday evening he had gone up in the bottom above Forest City to shoot ducks, and had tied the team with the hitch straps, but by some means they untied themselves, and the horse went around they walked over a bank, about ten feet down into Kinsey Creek, the buggy falling on one of the horses in the way as it plunged to its death under the water drowning it. The operation was successful and Dave is now getting along nicely, although his face is very sore from the effects of the operation. It will be two or three weeks before he will be able to come back home. His many friends throughout the county congratulate him upon the success of the operation, and hope to soon see him back among us.
